bepro hand wash

EN Bepro hand wash is a mild hand-washing lotion with selected active substances. Even in case of frequent hand-washing the protection substance contained prevents the skin from drying out and keeps it soft and smooth.

Bepro hand wash washes with a fine lather and has a pleasant and refreshing smell.

Bepro hand wash is neutral and does not influence the natural acid protection layer of the skin.

Bepro hand wash is very economical in its application.

INGREDIENTS (INCI)

Aqua, Sodium Laureth Sulfate, Cocamidopropyl Betaine, Sodium Lauroyl Glutamate, Sodium Chloride, Cocamide DEA, Parfum, Citric Acid, Limonene, Benzyl Alcohol, Methylisothiazolinone, Methylchlorisothiazolinone, C.I. 42090

bepro hand wash

DE Bepro hand wash ist eine milde Handwaschlotion mit ausgesuchten waschaktiven Substanzen. Selbst bei häufigem Händewaschen wirkt der eingearbeitete Hautschutzstoff einer Entfettung der Haut entgegen und hält sie zart und geschmeidig.

Bepro hand wash wäscht mit einem feinen Schaum und hat einen angenehmen und erfrischenden Duft.

Bepro hand wash ist neutral eingestellt und stört nicht den natürlichen Säureschutzmantel der Haut.

Bepro hand wash ist sehr sparsam in der Anwendung.

BESTANDTEILE (INCI)

LV Bepro hand wash ir saudzīgs roku mazgāšanas losjons ar atsevišķām aktīvajām vielām. Pat tad, ja rokas tiek bieži mazgātas, losjona sastāvā esošā aizsargājošā viela neļauj izžūt roku ādai un ļauj uzturēt to mīkstu un gludu.

Bepro hand wash ļauj veikt mazgāšanu ar smalkām putām, un tam ir patīkams un atsvaidzinošs aromāts.

Bepro hand wash ir neitrāls, un tas neietekmē dabisko ādas skābes aizsargapvalku.

Bepro hand wash ir ļoti ekonomisks izmantošanā.

beipro hand wash

RU Beipro hand wash мягкий лосьон для мытья рук со специально отобранными активными веществами. Даже при частом мытье рук защитное вещество предотвращает высыхание кожи, делая ее мягкой и гладкой.

Beipro hand wash создает при мытье нежную пену с приятным, освежающим запахом.

Beipro hand wash нейтрален и не влияет на естественный слой кожи, защищающий от воздействия кислот.

Beipro hand wash очень экономичен в применении.

ИНГРЕДИЕНТЫ (INCI)

Aqua, Sodium Laureth Sulfate, Cocamidopropyl Betaine, Sodium Lauroyl Glutamate, Sodium Chloride, Cocamide DEA, Parfum, Citric Acid, Limonene, Benzyl Alcohol, Methylisothiazolinone, Methylchlorisothiazolinone, C.I. 42090

bepro hand wash

TH Bepro hand wash คือโลชั่นล้างมือ สูตรอ่อนโยนที่มีสารออกฤทธิ์คุณภาพสูง แม้ในกรณีที่ต้องล้างมือบ่อย ๆ สารปกป้องที่มืออยู่จะช่วยป้องกันผิวไม่ให้แห้ง และยังคงความนุ่มนวล และเรียบเนียน.

Bepro hand wash ล้างด้วยฟองที่ละเอียดอ่อนและมีกลิ่นหอมและสดชื่น.

Bepro hand wash เป็นกลางและไม่มีผลต่อชั้นป้องกันกรดตามธรรมชาติของผิวหนัง.

ใช้ **Bepro hand wash** เพียงเล็กน้อย.

วัตถุ ดิบ (INCI)
